

# HEAVY EQUIPMENT OPERATOR

## FREE 12-DAY TRAINING

Receive free interactive, and hands-on training to enter the high-demand construction industry as an entry-level equipment operator.

In 12 days, learn:

- How to complete equipment safety inspections
- How to use personal protective gear
- Safe operation of heavy equipment
- Workplace safety principles

Train using heavy equipment simulators and actual equipment including skid steer loaders and mini excavators.

### STARTING WAGES

Entry-level construction workers make approximately \$33,800 annually in Iowa. Currently, Iowa has approximately 11% job demand increase in this field.

### COST AND FINANCIAL ASSISTANCE

This program is free to individuals who qualify. It is primarily aimed at women, minorities, and disadvantaged individuals. An Iowa Department of Transportation grant is making this entry-level equipment operator training free.
