Peoples Clinic Cancels Tent Events Due to COVID-19

Peoples Community Health Clinic (Peoples Clinic) has cancelled its National Health Center Week Big Tent Event, normally held the first part of August each year. As a health care facility, it did not feel appropriate or responsible to host an event that brings a large number of people together in the midst of a pandemic.

The Peoples Clinic Tent Event held in Clarksville around the same time as the Big Tent Event has also been cancelled.

These events will be replaced with a “Virtual Health Fair” featuring videos and information about valuable community resources. The health fair can be viewed at www.peoples-clinic.com/.
